

Spotee Consulting

A **premium service** for investors seeking a coach to **help them invest in the share market.**

This highly **specialised support and education** offering delivers a range of services including:

- Portfolio diagnostics
- Investment strategy development
- Individual stock analysis
- Targeted share investing education
- Ongoing mentorship and support

Who are we?

Spotee Consulting was established by **Elio D'Amato** who enjoys a distinguished investing career, with a proven track record of outperformance over the past two decades.

Elio and his team of experts collectively have serviced, educated and supported tens of thousands of Australian share investors, and are called upon frequently by professional organisations and media outlets to provide their insights.

Think of us as a
professional life coach
for your share portfolio!

This **premium service** is without peer and will be prepared and delivered to you directly by one of our Executive team members, based on your specific requirements.

Who could use a specialised service such as this?

Anyone who has a share portfolio.
For example:

- Self managed super funds (SMSFs)
- Investors who have accumulated a sizeable portfolio
- Financial Advisers managing direct equities for clients
- New investors starting out with a lump sum

If investing on your own is overwhelming, or you lack the time or discipline to focus on your portfolio, then this service could be of great value.

To learn more of the benefits a mentoring and consulting service may deliver you, please visit the website and read all the relevant information
